Play Loft Authorization for Child Pickup

We would like to remind all parents of Play Loft's policy regarding the safe pick-up of children other than the parent or legal guardian. As a measure of security, we require prior written notification from parents authorizing the person(s) picking up your child(ren) from school, either on a regular or occasional basis.

To this effect, by signing this form, parents will inform Play Loft of the person(s) allowed to pick-up their child(ren) for the current school year only.

In the event of an unforeseen emergency, whereby a different person other than those listed on the Authorization Form will be picking up your child, we ask that a parent telephone Play Loft as soon as possible to apprise us of this situation. Play Loft's policy is such that we will not allow someone to leave with a child without prior notification from the parents. The safety of your child is of utmost importance, and we know that you, as parents, will understand the reasons for this policy.
